

CrossRoads 2008 Ticket Order Form

Use this sheet to figure your total and order tickets by mail. Your ticket choices are:

Regular registration - \$35

This is the whole package. For a mere \$35 a person you can show up anytime after 6pm on Friday night, stay until Sunday, enjoy free camping and all your meals. If you are buying a Regular ticket you must be registered as part of a group. A group may be formed in any way whether a regular parish youth group, a family group, a group of friends, etc.

Family Ticket - \$150

This is a great deal for those large Catholic families out there. It's just like Regular admission at a family discount. This applies to family members only, not all the neighborhood kids and friends-of-friends who may want to come with you. Register the same as any other group.

Friday Night Only - \$10

Because the Friday Night Sound Check was so popular we are doing it again. Some of you may not be able to make the whole weekend but want to come for just Friday night the deal for you. Tickets are \$10 for just the Sound Check. No meals are included, no overnight camping.

[Note: If you arrive Friday night without pre-registering or purchasing tickets in advance, you will be charged \$10 a person admittance. You may apply that charge to a Regular or Family registration if you are staying for the whole weekend. So please register and get tickets in advance. Thanks!]
